

COIN COLLECTION!

Give children in Ghana a good and safe play area!

Your small change can make a big change!

Have you ever emptied your purse of all its coppers? **Annoying small change...** but it can be put to really good use! **Imagine** if you saved some of those small coins for a while, and told others to start collecting too. It would all add up, and could help to repair and extend the **playground** for New Life's children's home and school in Ghana, which would **bring happiness to a lot of children.**

We are running this appeal until the end of #GivingTuesday, which is on 2 December 2014.

See how many coppers you can collect by then!

→ **How to get your donation to us:** Once you have cashed your coins, you can transfer the donation to CHW, either through our donation page: chworldwide.org/get-involved/make-a-financial-donation/ or here: mydonate.bt.com/events/chwcoincollection/185316
